WHAT?? Presentation on Dementia - Learn How to Deal with Dementia

Who: Guest Speaker Jill Andrew, Certified Dementia Practitioner

Cost: FREE

Please come and attend. Bring your friends, neighbors, and family.

Unfortunately, at some point in each of our lives we will come in contact with someone who has Dementia or Alzheimer's.

You won't want to miss the presentation given by Certified Dementia Practitioner Jill Andrew. She has over 35 years first-hand experience.

Jill will offer great insight into this affliction; how to recognize symptoms, what it is and how to live with it, and she shares helpful hints to make life a tad better.
